Price: Inquire

The City of San Juan Capistrano commissioned this rustic, redwood play structure for their historic Los Rios Park. Barbara custom designed Los Rios Play Structure to blend with the natural environment and to provide hours of play on the double forts, swinging bridge, two slides and a coil climber. The park's Grand Opening was August 29, 2009.

This structure meets ASTM F1487 Standards for Public Use Playground Equipment and the 2010 Americans with Disabilities Act.
