**Ages 5 to 12**

**Price: Inquire**

A custom, craftsman-style, redwood play structure finished with natural, non-toxic tung-oil stains. Comes with: Gable Roof with board & batten siding and cupola, Coil Climber, Rope Net Ladder, Transition Platform with open Cobra Coil Slide, and Transfer Platform System.

Our all inclusive playgrounds are chock full of play options for kids yet still able to safely fit on a small patch of greenery so you can maximize every square foot of your housing development. Glendale Gardens is a wooden play structure that centers around a two-story tower connected to a curving slide, rope net ladder, and metal coil climb. The stairs come complete with an ADA-compliant Transfer Platform System. The ground-level ship's wheel is hand carved and offers another accessible play option.

Designed for the 5 to 12 age range, this elegant play structure complies with ASTM F1487 Standards for Public Use Playground Equipment and the 2010 Americans with Disabilities Act.
