

# On the Erie Canal

---

**Ages 5 to 12**

**Price: Custom**

At this charming play space in the Mohawk Valley Welcome Center, you'll find kids acting out their Erie Canal adventures on our wooden barge and shipping-container-themed play structure on the banks of the actual river.

Along the banks of the Erie Canal, our BBAB play pieces are seamlessly integrated with concrete mules and old-fashioned barrels from another vendor. Together, they form an invitation to both play and learn about the area's history.

This structure meets ASTM F1487 Standards for Public Use Playground Equipment and the 2010 Americans with Disabilities Act.
