

Hillbrook Treehouse

Ages 2 to 12

Price: \$150,880

Custom built for children ages 2 to 12 at Hillbrook School in Los Gatos, CA, this playground treehouse fuses adventure and protection as children explore the treetops while enveloped in a cocoon of rope netting. The 7' high main deck is a roomy 12' x 12' attached to a commercial grade slide, 10' long swinging bridge and 6' x 6' two-story fort.

Complies with: ASTM F1487-11 Standard Consumer Safety Performance Specification for Playground Equipment for Public Use; ASTM F1918-10 Standard Safety Performance Specification for Soft Contained Play Equipment; CPSC (Consumer Product Safety Commission) publication #325: Public Playground Safety Handbook; and DOJ/ADA 2010 Standard for Accessible Design as applies to Play Areas (section 1008).
